# ABOUT GSI

GSI is a premier forex brokerage firm founded by industry veterans Evan Wong and Sam Lim, who bring over a decade of expertise in forex trading to the table. With a combined experience of more than 10 years, our founders have navigated the complexities of the forex market, achieving consistent success. Their extensive background and deep understanding of both fundamental and technical analysis have enabled GSI to build a robust trading strategy that stands the test of time.

# OUR MISSION

At GSI, our mission is simple: to empower traders of all experience levels to become part of the elite 10% who profit consistently in the foreign exchange market. We understand that forex trading can be intimidating and challenging for many, especially those lacking the right knowledge or struggling to find their footing. That's why we're committed to bridging the gap by providing the tools, education, and guidance necessary to help traders succeed.

# OUR EXPERTISE

Our approach to trading is built on a solid foundation of market knowledge and a strategic blend of both fundamental and technical analysis. This dual approach allows us to anticipate market movements accurately and position our clients for optimal gains. Our team constantly monitors economic indicators, market news, and price action, ensuring that our trading decisions are data-driven and informed by the latest market developments. This relentless commitment to research and analysis has allowed us to consistently outperform the market, even in volatile conditions.

# CO-FOUNDER OF GSI

# Evan Wong

Evan Wong is a seasoned forex trader and co-founder of GSI, with over a decade of experience in the financial markets. Known for his sharp analytical skills and strategic mindset, Evan has built a reputation as an expert in both fundamental and technical analysis. His journey in forex began with a passion for understanding market dynamics, which soon evolved into a successful career managing personal trading accounts and helping others achieve financial independence. As a visionary leader, Evan is dedicated to empowering traders of all levels, providing them with the knowledge, tools, and strategies needed to succeed in the competitive world of forex trading.

# Sam Lim

Sam Lim, co-founder of GSI, is a forex trading expert with a deep-rooted passion for the markets. With over 10 years of trading experience, Sam has honed his skills in technical analysis, risk management, and strategy development, making him a respected figure in the forex community. His journey started from humble beginnings as a self-taught trader, quickly growing into managing multiple successful trading accounts and mentoring others. Sam's commitment to excellence and continuous learning has been instrumental in GSI's success, as he works tirelessly to help traders navigate the market's complexities and achieve consistent profitability. Together with Evan Wong, Sam is on a mission to make professional forex trading accessible to traders worldwide.

# OUR JOURNEY

GSI's journey began as personal account managers, helping individual traders optimize their trading strategies and achieve their financial goals. As our reputation grew, we launched a Telegram trading channel to reach a wider audience, sharing our insights, trade signals, and results with a dedicated community of over 2,000 traders. Through this platform, we've guided countless traders toward profitability, regardless of their starting level of knowledge.

Recognizing the need to expand further, we have now made our services globally accessible. Traders from around the world can join GSI, register with our brokerage firm, and trade alongside us. Our mission is to create a community of traders who not only learn the art of forex but also profit consistently from it. With GSI, you're not just joining a brokerage; you're joining a team committed to financial success.

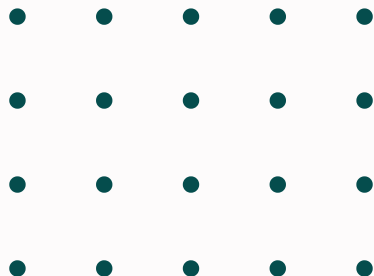

# Daily Trade Signals & Results

Our free **Telegram channel** is a testament to our commitment to transparency and education. We provide daily trade signals and real-time results, allowing our community to see firsthand the effectiveness of our strategies.
